

From Pizza Maker to Transfer Station Technician

David D., former employee of Papa Murphy's old came into the DN Workforce Center to file for unemployment and job search. After conducting research on our current job listing, David immediately gained interest in applying for Hambro Group Transfer Station Technician position. David had some prior construction knowledge and his background was ideal to place him into an Internship. David excelled and was eventually hired after the internship ended, his work ethic and prior carpentry knowledge was well recognized. David now is an asset to Hambro Group and is cross trained in all departments. David is currently studying to become a Class A Truck Driver. Good Job David!

From Communications Technician to Sheriff Deputy

Thanks to the assistance of the Del Norte Workforce Center, Drew G. was able to financial assistance Drew G. was able to achieve one of his life goals of becoming a Sheriff Deputy. Drew recently graduated from College of the Redwoods Police Academy and has already been hired by the County Sheriff Department. Drew knew at an early age that Law Enforcement was the career he was born to do, however due to financial struggles his dream of becoming a Deputy got harder and harder due to life and family obligations. However by using his local resources Drew is now on the right career path. Great Job Drew!

Del Norte Workforce Center has placed 24 individuals back into the workforce, with NDWG Storm Project Funding. Currently we have been working with seven public employers, having agreements with: City of Crescent City, County of Del Norte Agriculture Department, Del Norte Fairgrounds, Crescent City Harbor District, County of Del Norte Parks & Recreation, Caltrans, and California State Parks. This grant has really revitalized areas of Del Norte County and will continue to beautify areas throughout the City of Crescent City and the County. Participants enrolled could not be any happier to be back into the workforce.

Experience, Education, Employment Summer Youth Program

Del Norte Workforce Center in collaboration with Building Healthy Communities and Del Norte School District are initiating a new Summer Youth Program, E³ (Experience, Education, Employment). This program is an opportunity for high school juniors and seniors to get paid job experience, and earn up to 10 elective/CTE credits. E³ will allow students to get a glimpse into the world of work, gaining experience and developing their resume. The overall goal is to grow the program to include deeper apprenticeship/internship elements in the future. E³ is a 5 week program that begins July 10th.
